Matt Ross

Farrier Corrective Shoeing

Specialising in Corrective Trimming & Shoeing

Does your horse have hoof problems that are just getting worse? Under-run heels, lateral balance, weak hoof walls etc? These problems affect your horse's comfort and performance, and they can be fixed. Give EMROSS a call and see what Matt can do for your horse.

Pictures below show the improvement in hoof shape and strength that Matt has brought about for a local Armidale horse.
